ABOUT CMC

The Capital Markets Commission (CMC) is an independent public institution, with administrative and financial autonomy, superintended by the President of the Republic and overseen by the Ministry of Finance.

The CMC has as its mission the regulation, supervision, surveillance and promotion of the capital markets and the activity that involves all the agents that participate in these markets, be it directly or indirectly, in the terms of the Presidential Decree nº 54/13, of June 6th (Organic Statute that established the CMC).

Along with the Organic Statute, CMC's activities are incorporated under the Law 22/15 of August 31st (Securities Code – CodVM) and by the law 12/15 of June 17th Financial Institutions Law.

The CMC acts in an independent fashion in the pursuit of its objectives, all the while operating within the limits of the law.
